2020 INFINITI QX60 AT A GLANCE

The award-winning INFINITI QX60 luxury crossover, INFINITI's top-selling model, continues to hone its reputation as a versatile 3-row/7-passenger vehicle, offering a combination of family features with a welcoming, crafted design inside and out.

Again in 2020, the QX60 exterior fully embodies INFINITI's dramatic design language, including signature grille, headlamps, LED daytime running lights and LED fog lights. Other exterior details range from integrated LED turn signals in the side rearview mirrors to unique 18-inch and 20-inch wheel designs. A hands-free Motion Activated Liftgate is available with the Sensory Package.

On the inside, the QX60 continues to offer real 7-passenger/3-row utility, plus all the luxurious features, performance and innovations that INFINITI has become known for worldwide. Among the many luxury features are available leather-appointed seating for 1st and 2nd rows, maple wood interior accents, stitched upper dash and INFINITI InTouch™ with 8.0-inch vehicle information display.

Among the other available advanced technology are a Bose® 13-speaker Premium Audio system, including AM/FM/CD with MP3 playback capability, Radio Data System and speed-sensitive volume control. A Bose® CenterPoint® 15-speaker sound system with Driver's Audio Stage is also available.

Every 2020 QX60 comes equipped with an advanced 3.5-liter V6 engine rated at 295 horsepower and 270 lb-ft of torque. The engine's Direct Injection Gasoline system provides better wide-open throttle performance and emissions performance (versus a non-direct-injection system). The engine is matched with a fuel-efficient continuously variable transmission. The QX60 is offered in front-wheel drive or with INFINITI Intelligent All-Wheel Drive.

Available security features and driving aids include Around View® Monitor with Moving Object Detection, Backup Collision Intervention, Blind Spot Intervention™ system, Intelligent Cruise Control (Full-Speed Range), Distance Control Assist, Active Trace Control, Lane Departure Prevention and Front Pre-Crash Seat Belts.

Highlights of the 2020 INFINITI QX60 include:

Body

- INFINITI signature grille, headlights, LED Daytime Running Lights
- Double-wave hood, distinctive crescent-cut D-pillar and greenhouse shape
- Available High Beam Assist
