

## **At A Glance: 2014 Infiniti QX60 (3.5L)**

The popular Infiniti QX60 luxury crossover receives a new name and a new Hybrid powertrain for the 2014 model year – changes that keep it at the heart of the Infiniti lineup, which now features three advanced hybrid models and a new vehicle alpha-numeric nomenclature that designates all crossovers and SUVs as starting with “QX” and all sedans, coupes and convertibles starting with “Q.”

Known previously as the JX35, the QX60 features a number of other enhancements for 2014, including splitting the previous Premium Package into Premium and Premium Plus Packages and the addition of power up-folding 3<sup>rd</sup> row seats to the Deluxe Touring Package (3.5-liter models). An auto-dimming inside mirror with HomeLink® Universal Transceiver is now standard on all QX60 models.

Standing out as a fresh, bold alternative to the many flavors of vanilla currently dominating the luxury crossover segment, the QX60 excels in the areas that luxury crossover buyers desire most – interior flexibility and roominess, safety, and advanced hospitality features. It offers real 3-row utility, plus all the premium features, performance and innovations that Infiniti has become known for worldwide.

Along with its standout exterior styling and craftsmanship, the QX60 design offers excellent legroom in all three rows and ample cargo room behind the 3<sup>rd</sup> row. The QX60’s interior design mirrors the seductive style of the exterior. Key design features include the signature driver-oriented cockpit, finishers and satin pieces offering similar shapes and section, thin chrome accents, and an interior color palette that provides an elegant color harmony – Wheat, Graphite or Java leather appointments with Kasane Washi or available Maple accents. In addition, an innovative multi-mode middle seat design provides entry to the 3<sup>rd</sup> row without removing a 2<sup>nd</sup> row child seat.

Offered in both front-wheel drive and with Intelligent All-Wheel Drive, the QX60 and QX60 Hybrid address the growing desire among luxury crossover drivers to have both responsive performance and good fuel efficiency. The 3.5-liter DOHC V6 is rated at 265 horsepower @ 6,400 rpm and 248 lb-ft of torque @ 4,400 rpm, while the new QX60 Hybrid utilizes a supercharged 2.5-liter inline 4-cylinder and an electric motor powered by a compact Lithium-ion battery pack. It is rated at 250 net system horsepower (for full information on the 2014 QX60 Hybrid, please visit [InfinitiNews.com](http://InfinitiNews.com)). Both powertrains are mated to a sport-tuned Continuously Variable Transmission (CVT) to provide high responsiveness and seamless, efficient shifting feel.

The fuel-efficient CVT can mimic a step transmission when the Sport mode of the Infiniti drive selector is engaged. The CVT design also features a wide gear ratio and low friction design.

The QX60 also continues Infiniti's tradition of developing world's first technologies, including the available Backup Collision Intervention (BCI) system. With this technology, when the transmission is in reverse, the QX60 will help the driver detect crossing vehicles, as well as large objects behind the vehicle, and, if necessary, the system can automatically engage the brakes to help avoid a collision.

Among the other advanced standard or available technology found throughout the QX60 are Infiniti Connection™ telematics system with Google Calendar™, Drive Zone/Speed Alert and Infiniti Personal Assistant; Around View® Monitor (AVM) with Moving Object Detection (MOD); Lane Departure Warning (LDW) and Lane Departure Prevention (LDP); Blind Spot Intervention® (BSI) system; Intelligent Cruise Control (Full-Speed Range); Distance Control Assist (DCA); Intelligent Brake Assist (IBA) with Forward Collision Warning (FCW); Active Trace Control; Front Pre-Crash Seat Belts; and a Bose® Cabin Surround® 15-speaker sound system with digital 5.1-channel decoding and new Acoustic Waveguide subwoofer.

Highlights of the 2014 Infiniti QX60 include:

### **Body**

- Bold front chrome double-arch signature Infiniti grille, double-wave hood
- Distinctive crescent-cut D-pillar and greenhouse shape
- Automatic on/off High Intensity Discharge (HID) bi-functional xenon headlights with manual levelizer
- Fog lights
- LED taillights and center high-mounted stoplight (CHMSL)
- Flat blade, variable intermittent front windshield wipers
- Available rain-sensing front windshield wipers
- Rear window intermittent wiper and defroster with timer
- Power folding, heated outside mirrors with available reverse tilt-down feature
- Front door handle courtesy lights
- Power sliding tinted glass moonroof with one-touch open/close, tilt feature and sliding sunshade; available panoramic moonroof with power rear sunshade
- Power rear liftgate
- UV-reducing solar glass, rear privacy glass
- Front underbody spoiler, integrated tunnel rear spoiler, rear tire deflectors
- 0.34 Cd and zero lift front and rear
- Seven available exterior colors: Emerald Graphite, Glacial Mist and Diamond Slate, Liquid Platinum, Black Obsidian, Midnight Garnet and Moonlight White

### **Engine and Driveline**

- Front engine/front-wheel drive or available Infiniti Intelligent All-Wheel Drive
- 3.5-liter 24-valve DOHC aluminum-alloy V6 with Variable Induction Control System

- 265 horsepower @6,400 rpm, 248 lb-ft of torque @ 4,400 rpm
- Sport-tuned Continuously Variable Transmission (CVT) with manual shift mode and Sport mode, which mimics a step transmission
- Infiniti Drive Mode Selector with Standard, Sport, Snow or Eco modes (controls throttle response and transmission mapping)
- Available Remote Engine Start System

### **Suspension, Steering and Braking**

- Independent strut front suspension, stabilizer bar
- Multi-link rear suspension with pre-compressed damper mount (increases damping force without road noise deterioration), stabilizer bar
- Rebound spring shock absorber design
- Vehicle-speed-sensitive power steering
- Available Active Trace Control
- 4-wheel vented disc brakes with Anti-lock Braking System (ABS), Electronic Brake force Distribution (EBD) and Brake Assist, 12.6-inch front and 12.13-inch rear
- 2-wheel or 4-wheel Active Brake Limited Slip (ABLS)
- 18 x 7.5-inch, split 5-spoke aluminum-alloy wheels with 235/65R18 all-season tires
- Available 20 x 7.5-inch, split 5-spoke aluminum-alloy wheels with 235/55R20 all-season tires (included with Deluxe Touring Package)
- Available 20 x 7.5-inch, split 5-spoke polished forged aluminum-alloy wheels with 235/55R20 all-season tires

### **Interior Features**

- 7-passenger seating capacity
- Standard leather-appointed seating for all three rows
- 8-way power driver's seat, 6-way power front passenger's seat
- Available dual occupant memory system for driver's seat, steering wheel and outside mirrors
- Heated front seats, available heated 2<sup>nd</sup> row seats (outboard only)
- Available climate-controlled front seats (heating and cooling)
- Standard 60/40-split folding, sliding 2<sup>nd</sup> row bench seat with a total of 5.5 inches of fore and aft travel
- 2<sup>nd</sup> row multi-mode seat function, which allows access to the 3<sup>rd</sup> row without removing a child seat
- 50/50 split folding 3<sup>rd</sup> row seat with recline feature
- Standard Infiniti Intelligent-View Display
- Kasane Washi interior trim, available Maple interior accents
- Leather-wrapped steering wheel and shift knob, available heated steering wheel
- Power windows with one-touch up/down feature with auto reverse
- Power door locks with automatic locking feature
- Sequential welcome lighting illuminated entry system
- Retained accessory power for windows and moonroof
- 8 cupholders and 6 bottle holders
- Tri-Zone Automatic Temperature Control with microfilter

- Available Advanced Climate Control System (ACCS) with auto-recirculation, Grape Polyphenol Filter and Plasmacluster<sup>®</sup> air purifier
- Infiniti Intelligent Key with Illuminated Push Button Ignition
- Available Enhanced Intelligent Key that stores occupant memory position and last-used audio, climate control and navigation settings
- Fine Vision electroluminescent gauges
- Standard RearView Monitor with 7-inch color vehicle information display
- Infiniti Controller for vehicle information systems and comfort and convenience features
- Available Infiniti Hard Drive Navigation System with 8-inch WVGA color touch-screen display; NavTraffic with Real-Time Traffic Information, NavWeather with Real-Time Weather Information and 3-day forecast (SiriusXM subscription required, sold separately), Zagat Survey<sup>®</sup> Restaurant Guide
- Bluetooth<sup>®</sup> Hands-free Phone System
- Available Around View<sup>®</sup> Monitor (AVM) with Moving Object Detection and Front and Rear Sonar System
- 6-speaker audio system with AM/FM/CD
- Available Bose<sup>®</sup> 13-speaker Premium Sound System, including a new Acoustic Waveguide subwoofer
- Available Bose<sup>®</sup> Cabin Surround<sup>®</sup> sound system with 15 speakers, including a new Acoustic subwoofer and 5.1 processing
- SiriusXM Satellite Radio (SiriusXM subscription required, sold separately)
- USB connection port for use with iPod<sup>®</sup> Interface and other compatible devices
- Streaming Audio via Bluetooth<sup>®</sup>
- Available Theater Package with dual 7-inch color monitors, two wireless headphones, wireless remote control, auxiliary input jacks, and 120V power outlet
- Available Intelligent Cruise Control (Full-Speed Range)
- Available Distance Control Assist (DCA)
- Available Infiniti Connection<sup>™</sup> including Automatic Crash Notification, Emergency Call, Enhanced Roadside Assistance, My Schedule, and Remote Door Lock/Unlock; and Infiniti Connection Plus including Drive Zone, Speed Alert, Destination Assistance, and in-vehicle access to Infiniti Personal Assistant

### **Safety and Security**

- Infiniti Advanced Air Bag System (AABS)
- Driver and front-passenger seat-mounted side-impact supplemental air bags
- Roof-mounted curtain side impact supplemental air bags with rollover sensor for outboard occupant head protection for all three rows
- Zone Body Construction with front and rear crumple zones
- Vehicle Dynamic Control (VDC) with Traction Control System (TCS)
- Tire Pressure Monitoring System (TPMS) with individual tire pressure display and Tire Inflation Indicator
- Available Blind Spot Warning (BSW)
- Available Blind Spot Intervention<sup>®</sup> (BSI)
- Available Backup Collision Intervention (BCI)
- Available Lane Departure Warning (LDW) and Lane Departure Prevention (LDP) systems

- Available Intelligent Brake Assist (IBA) with Forward Collision Warning (FCW)
- Available Front Pre-Crash Seat Belts

**Models and Manufacturing**

- Available in two well-equipped models: QX60 3.5 FWD and QX60 3.5 AWD
- Also offered in QX60 Hybrid and QX60 Hybrid AWD
- Assembled in Smyrna, Tenn.
