

For Immediate Release

At a Glance: 2014 Infiniti Q60 Coupe

The Infiniti Q60 Coupe, formerly known as the Infiniti G37 Coupe, offers an unmatched combination of dynamic design, exhilarating performance and a modern, luxuriously crafted interior. For 2014, the Q60 Coupe is available in three dynamic models – the Q60 Coupe Journey, Q60 Coupe AWD and Infiniti Q60S Coupe 6MT – along with two Infiniti Performance Line™ (IPL) models, the Q60 IPL Coupe and Q60 IPL Coupe 6MT. (For complete information on the 2014 Q60 IPL Coupe, please go to infinitinews.com.) Enhancements for 2014 include the availability of one new exterior color, Venetian Ruby.

The Q60 Coupe Journey, Q60 Coupe AWD and Q60S Coupe 6MT are each equipped with a standard 3.7-liter VQ-series V6 with VVEL (for Variable Valve Event and Lift) rated at 330 horsepower and 270 lb-ft of torque. The Q60 Coupe Journey and Q60 Coupe AWD are offered with a performance-oriented 7-speed automatic transmission with Drive Sport (DS) Mode, Downshift Rev Matching and available solid magnesium paddle shifters. The Q60S Coupe 6MT comes with a responsive, close-ratio 6-speed manual transmission.

The Q60 Coupe AWD utilizes Infiniti's advanced ATESSA E-TS® all-wheel drive system. Monitoring wheel spin, throttle position and vehicle speed, it automatically diverts up to 50 percent of available power to the front wheels, helping enhance traction when road conditions are less than optimal. When all-wheel drive is not needed, the system can send up to 100 percent of the power to the rear wheels, preserving the Q60 Coupe's sporty rear-wheel drive characteristics.

For buyers who want to take the standard Q60 Coupe performance to an even higher level of performance, the Sport 6MT and Sport Package-equipped models offer a sport-tuned suspension, 14.7:1 sport-tuned steering gear (RWD models), Viscous Limited-Slip Differential, large Sport Brakes with 4-piston opposed front calipers, and 19-inch aluminum-alloy wheels with summer performance tires (RWD only).

All of these advanced performance systems are wrapped in the Q60's seductive skin, while inside the Q60 Coupe blends unique materials and finishes with traditional Japanese design cues. Available technology features include Infiniti Studio on Wheels® by Bose® premium audio system, Infiniti Hard Drive Navigation System, Infiniti Voice Recognition for audio navigation, memory system for driver's seat, steering wheel and outside mirrors, RearView Monitor and Rear Sonar.

Highlights of the 2014 Infiniti Q60 Coupe include:

Body

- Dynamic exterior design, featuring seductive and muscular shapes, including flowing front fender lines with low silhouette roofline, strong side character lines and side sills, wave-form hood
- Aggressive front end aerodynamics and styling with smooth front fascia, integrated fog lamps and double-arch grille
- Infiniti signature L-shape High Intensity Discharge (HID) bi-functional xenon headlights
- Large LED taillights, large trunk opening and integrated RearView Monitor camera
- Standard rear underbody air diffusers
- Large diameter dual exhaust outlets with chrome finishers
- Unique front fascia on Q60S Coupe 6MT and Q60 Coupe Journey and Q60 Coupe AWD with Sport Package
- Available sliding glass moonroof with tilt and one-touch open/close feature
- Heated outside mirrors
- Seven available exterior colors: Venetian Ruby, Malbec Black, Liquid Platinum, Blue Slate, Graphite Shadow, Black Obsidian and Moonlight White

Engine and Driveline

- 3.7-liter VVEL 24-valve DOHC V6 producing 330 horsepower and 270 lb-ft of torque
- Variable Valve Event and Lift (VVEL) intake camshafts, incorporated with the Continuously Variable Valve Timing Control System (CVTCS), allows for 7500 RPM redline
- Ram air dual intake, equal length exhaust manifold and dual exhaust system with laser-welded rear mufflers produce an authentic performance sound
- Choice of electronically controlled 7-speed automatic transmission with Downshift Rev Matching and quick-shift Drive Sport (DS) mode and Adaptive Shift Control (ASC), or close-ratio lightweight 6-speed manual transmission
- Rear Viscous Limited-Slip Differential (VLSD) on Q60S Coupe 6MT, Q60 Coupe Journey and Q60 Coupe AWD with Sport Package

Suspension, Steering and Braking

- Enhanced FM platform
- 4-wheel independent multi-link suspension (front single pivot double-wishbone design) with extensive use of lightweight aluminum components and large front and rear stabilizer bars
- Power-assisted vehicle-speed-sensitive rack-and-pinion steering
- 4-wheel power-assisted vented disc brakes, 4-wheel Anti-lock Braking System (ABS), Electronic Brake force Distribution (EBD) and Brake Assist
- Q60S Coupe 6MT, Q60 Journey and Q60 Coupe AWD with Sport Package models feature 14-inch rotors with 4-piston front calipers and 13.8-inch rotors with 2-piston calipers rear
- Q60S Coupe 6MT, Q60 Journey and Q60 Coupe AWD with Sport Package models feature 14.7:1 sport-tuned steering gear
- Available Intelligent Cruise Control (ICC) with Preview Braking

- Standard 10-spoke 18x8.0-inch aluminum alloy wheel design with 225/50VR18 all-season tires
- Available split V-spoke 19x8.5-inch front wheels and 225/45WR19 front tires and 19x9.0-inch rear wheels with 245/40WR19 rear tires (available on Q60 Coupe Journey) with Sport Package and Q60S Coupe 6MT model)
- Available 225/45R19 front and rear tires on Q60 Coupe AWD with Sport Package
- Standard Tire Pressure Monitoring System (TPMS)

Interior Features

- Driver-oriented sporty interior with luxurious passenger space
- Infiniti signature “double-wave” instrument panel and Infiniti-signature analog clock
- Dramatic, full-length center console with a leather and aluminum-clad shifter
- Available solid magnesium automatic transmission paddle shifters
- “Silk Obi” aluminum-alloy accents on center console, instrument panel and door panels; available Maple Accents
- Standard 7.0-inch color monitor display, RearView Monitor
- Standard leather-appointed seating, available in Graphite and Stone
- Standard 8-way power-adjustable driver’s seat and 8-way power-adjustable front passenger’s seat
- Q60 Coupe Journey and Q60 AWD models with Sport Package and Q60S Coupe 6MT feature sport-styled seats with thigh extensions, driver’s power adjustable torso and thigh bolsters and aluminum pedals
- Hand-stitched leather-wrapped steering wheel with steering wheel-mounted audio and cruise control switches, tilt and telescopic steering column with unique stitching on Sport Package equipped models and Q60S Coupe 6MT (except Stone interior)
- Electroluminescent instrumentation with white-themed illumination
- Standard Infiniti Intelligent Key with Push Button Ignition
- Available Infiniti Studio on Wheels[®] by Bose[®] Premium Audio System, with a 3-way front door speaker array using 10-inch woofers and parcel shelf-mounted subwoofer
- Standard audio system featuring in-dash CD changer with Radio Data System (RDS), auxiliary audio input, MP3 playback capability and 6 speakers
- Leather-appointed shifter lever with aluminum trim
- Addition of Navigation Package content as standard on Q60S Coupe 6MT
- Available Infiniti Navigation System with NavTraffic with Real-Time Traffic Information and NavWeather with Real-Time Weather and 3-day forecast (SiriusXM subscription required, sold separately), Streaming Audio via Bluetooth[®], Zagat Survey[®] Restaurant Guide and touch screen
- Bluetooth[®] Hands-free Phone System
- Digital automatic temperature control with standard micro filtration and rear floor heater vents, available dual HVAC control with available center rear air conditioning vents (not available on Q60S Coupe 6MT model)

Safety and Security

- Standard Advanced Air Bag System (AABS) with dual-stage supplemental front air bags with seat belt sensors and occupant classification sensor

- Standard front seat-mounted side impact supplemental air bags
- Standard roof-mounted curtain side impact supplemental air bags for front and rear-seat outboard occupant head protection
- 3-point ALR/ELR seat belts (driver's seat ELR only)
- Front seat belts with pretensioners and load limiters
- Available front pre-crash seat belts
- Front seat Active Head Restraints
- Zone Body construction with energy-dispersing side structure
- Breakaway engine mounts and breakaway driveshaft
- Slide-away brake pedal assembly to help reduce lower leg injuries in a severe crash
- Vehicle Dynamic Control (VDC) and Traction Control System (TCS)
- LATCH System (Lower Anchors and Tether for Children)

Models and Manufacturing

- Available in three models (excluding IPL Q60 Coupe models): Q60 Coupe Journey, Q60 Coupe AWD and Q60S Coupe 6MT
- Assembled by Nissan Motor Co., Ltd. In Tochigi, Japan
