## 2020 INFINITI QX80 AT A GLANCE

---

The INFINITI QX80 is the flagship of the brand's bold SUV lineup – which includes the highly advanced QX50 mid-size luxury crossover and the family oriented QX60. The QX80 is a powerful, full-size SUV created with an inclusive luxury mindset, offering premier amenities for every passenger.

Redesigned just two years ago, the QX80 remains a popular choice for luxury buyers in North America. For the 2020 model year, QX80 LUXE receives a new generation INFINITI InTouch™ System with HD twin screen display, revised center stack and center console, new 7-inch TFT meter display, new Charcoal Burl interior trim, standard Apple CarPlay® and Android Auto™, two new exterior paint colors, and standard Lane Departure Warning, Backup Collision Intervention and Blind Spot Warning.

In addition, a new EDITION 30 Package celebrates INFINITI's 30<sup>th</sup> anniversary in the United States, includes 22-inch dark forged aluminum-alloy wheels with black center caps and 275/50R22 all-season tires; black mesh grille; dark chrome grille surround, front fascia trim, fender vents and tailgate finisher; black mirror caps; unique graphite headliner, sunvisors, sun shade and pillars; and 1<sup>st</sup> row illuminated stainless steel kickplates.

The 2020 INFINITI QX80 is available in three models – the QX80 LUXE, the QX80 LUXE 4WD and the QX80 LIMITED, which is the premier expression of INFINITI. The QX80 LIMITED comes with standard Four-Wheel Drive and includes:

- All QX80 LUXE 4WD standard equipment, and features from the ProASSIST, Theater, Sensory and ProACTIVE packages
- Unique dark, machine finished 22-inch forged aluminum wheels
- Stainless steel running board cap with rubber grips
- INFINITI under running board welcome lighting
- Satin chrome exterior trim
- Satin chrome roof rails & crossbars
- Unique front & rear bumper lower finish
- Unique design two-tone semi-aniline leather / Alcantara® seats with quilting, contrast piping & stitching
- Front and second row seatback embossed with LIMITED name
- Smooth leather steering wheel and shift knob
- Matte silver, open pore Ash Wood trim
- LIMITED lettering wood inlay in center console shifter finisher
- Black Ultrasuede® headliner and A/B/C pillars
- Leather covered and stitched A/B pillar grab handles
- Chrome inside door handle trim finisher

- Unique, high density floor mats with metal logo and cargo mat
- INFINITI radiant illuminated kick plates
- LIMITED rear hatch emblem
- Body color mirror caps

The 2020 QX80 continues the bold interpretation of INFINITI's Powerful Elegance design language with unmistakable INFINITI signature design elements. It features a commanding presence with powerful muscularity, enhanced horizontal movement and iconic double-arch grille and signature headlamps. Every QX80 also includes standard power liftgate and power sliding glass moonroof with one-touch open/close.

All QX80 models continue to stand apart with a refined and spacious cabin that features high-quality materials, a hand-crafted finish, and advanced drive-assist technologies. Every QX80 comes with a standard 10-way power driver's seat, including 2-way power lumbar support, along with an 8-way power passenger's seat, including 2-way power lumbar support. Heated front seats are standard on LUXE models, with heated and cooled front seat standard on the QX80 LIMITED.

In addition, all models come equipped with INFINITI Navigation System with Lane Guidance and 3D building graphics. The 2020 QX80 is also available with the advanced Smart Rear View Mirror. The "digital" mirror allows the driver to use the rear-view mirror as a standard mirror, or turn it into a monitor at the touch of a button.

Both QX80 LUXE and QX80 LIMITED models come standard with an advanced 5.6-liter DOHC V8 engine rated at 400 hp and 413 lb-ft of torque. The engine is matched with a smooth-shifting 7-speed automatic transmission featuring Adaptive Shift Control and manual shift mode with Downshift Rev Matching.

The QX80 is available with two-wheel drive or INFINITI All-Mode 4WD, the latter enabling four-wheel traction when conditions dictate it and off-road capability when the driver demands it. Along with a responsive 4-wheel independent suspension, the QX80's unique available Hydraulic Body Motion Control technology limits excess body-roll under more severe cornering. It is optional on LUXE models and standard on the QX80 LIMITED.

The QX80's standard Rear Auto-Leveling Suspension automatically adjusts suspension pressure to maintain an optimum ride height with cargo in the trunk or a trailer on tow. This allows the QX80 to tow up to 8,500 lbs, and carry up to 95.1 cu ft of interior cargo volume with third- and second-row seats folded. Stopping is provided by large 4-wheel disc brakes. Two steering systems are offered – engine-speed sensitive power-assist on LUXE and vehicle-speed-sensitive power-assist on LIMITED (optionally available on LUXE).

The QX80's extensive suite of advanced technology systems includes standard Forward Emergency Braking with Pedestrian Detection, Predictive Forward Collision Warning, Blind Spot Warning, Lane Departure Warning and Backup Collision Intervention. Also available on LUXE models and standard on LIMITED are Intelligent Cruise Control (Full-Speed Range), Blind Spot Intervention (BSI), Lane Departure Prevention and Distance Control Assist. The QX80's standard Around View® Monitor with Moving Object Detection.

The 2020 QX80 is available in three well-equipped models: QX80 LUXE, QX80 LUXE 4WD and QX80 4WD LIMITED. The available packages for QX80 LUXE and LUXE 4WD include ProASSIST, Split Bench Seat Package, Theater Package, 22-inch Wheel Package, Sensory Package, ProACTIVE and the new EDITION 30 Package.

Highlights of the 2020 INFINITI QX80 include:
