FOR RELEASE TBD

2024 INFINITI QX50 delivers effortless luxury with tailored design and advanced powertrain

NASHVILLE, Tenn. – The 2024 INFINITI QX50 elevates the crossover experience with forward-thinking luxury design and features. It's refined for everyday life, filled with premium design touches and effortlessly capable.

Like all 2024 INFINITI models, lease or retail, sold in the United States, QX50 includes the convenient benefit of [INFINITI Premium Care¹](#). For QX50, this integrated maintenance program provides 36 months or 22,500 miles coverage (whichever occurs first) of routine maintenance, including oil changes and tire rotations, expanding on the luxury automaker's tradition of providing top-rated customer satisfaction.

The 2024 INFINITI QX50 is available in five grades. PURE, LUXE, SPORT and SENSORY feature standard front-wheel drive and available Intelligent All-Wheel Drive, while QX50 AUTOGRAPH has standard AWD. The 2024 QX50 is on sale now with a starting MSRP² of \$40,850. (See full pricing details for all 2024 QX50 grades.)

Powerful, advanced turbocharged engine

The INFINITI QX50 uses the world's first mass-produced [variable-compression turbocharged \(VC-Turbo\) engine³](#). The advanced 2.0-liter engine can seamlessly change its compression ratio to optimize for improved fuel efficiency or greater power output, depending on the driver's demands. It is rated for an impressive 268 horsepower and 280 lb-ft of torque. The engine is paired with an XTRONIC transmission that features Downshift Rev Matching and standard paddle shifters to help deliver a more engaging driving experience. QX50 AUTOGRAPH has

additional powertrain enhancements giving it the ability to tow up to 3,000 pounds⁴, when properly equipped.

The innovative powertrain helps QX50 deliver impressive fuel economy figures of 23 mpg city and 29 mpg highway with front-wheel drive or 22 mpg city and 28 mpg highway with all-wheel drive⁵.

Tailored, functional design

The QX50 arrests attention with its sculpted look and muscular proportions, which draw on several key INFINITI styling cues. For example, the INFINITI brand's double-arch front grille and crescent-shaped rear roof pillar, along with prominent crease lines along the bodysides and a sleek roofline, give the QX50 a distinct appearance. Buyers can further personalize QX50 to their tastes with a choice between 19- and 20-inch wheels, and seven exterior color choices comprising Hermosa Blue, Graphite Shadow, Slate Gray, Black Obsidian, Dynamic Sunstone Red, Lunar White and Radiant White.

QX50 is equally compelling for all inside, with highly curated interior materials that wrap around occupants. The second row of seats slides, allowing for optimizing between legroom or luggage room, and folds flat to create up to 65.1 cubic feet (64.4 with panoramic moonroof) of cargo space. A standard power liftgate, with available motion-activated function, eases access to cargo.

Technology at your fingertips

The appeal of QX50 culminates with an extensive selection of advanced technology that helps to streamline and simplify almost every trip. Those features begin with an impressive array of safety technology included as standard on every QX50, including Predictive Forward Collision Warning, Forward Emergency Braking with Pedestrian Detection, Blind Spot Warning, Lane Departure Warning, Rear Cross Traffic Alert, Rear Automatic Braking and High Beam Assist.

Standard ProPILOT Assist⁶ is equipped to help ease the driver's workload in certain driving situations. The system can help the driver stay centered within their lane and assists with acceleration and braking – ideal assistance for longer highway journeys.

QX50 provides responsive, highly functional connectivity with a standard INFINITI InTouch⁷ infotainment system that has an 8-inch upper and 7-inch lower screen, with Android Auto™ and wireless Apple CarPlay®. To keep devices connected, QX50 offers a total of four USB ports throughout the cabin and a standard wireless device charging pad. Two available Bose® audio systems – Bose® Premium Audio System with 12 speakers and Bose® Performance Series Audio System with 16 high-performance speakers – create a more immersive audio experience for all passengers.

The 2024 INFINITI QX50 is on sale now. For full details on the features included on each grade level, see the full specification sheet.

1. INFINITI Premium Care is provided through Elite Protection Program. For complete information concerning components covered, and those components which are excluded from coverage, read your actual service contract because its terms, conditions, exclusions, and limitations control. In Florida, INFINITI Elite Extended Protection Program is backed by IESNA, Inc., P.O. Box 685004, Franklin, TN, 37068-5004. License #60128. ELITE® and Elite Protection Program are trademarks of Nissan North America, Inc.

2. All prices are Manufacturer's Suggested Retail Price (MSRP). MSRP excludes \$1,195 destination and handling charge, tax, title, license [and options]. Retailer sets actual price.

3. World's first production Variable Compression Turbo engine launched by Nissan Motor Co., Ltd. in 2018.

4. Up to 3,000 lbs. maximum towing for 2024 INFINITI QX50. Towing varies by configuration. See INFINITI Towing Guide and Owner's Manual for additional information. Cargo and load capacity limited by weight and distribution. Always secure cargo.

5. 2024 EPA Fuel Economy Estimates: QX50 FWD 23 City/29 Highway 26 Combined, QX50 AWD 22 City/28 Highway 25 Combined. Actual mileage may vary with driving conditions. Use for comparison only.

6. ProPILOT Assist with Navi-link cannot prevent collisions. It is the driver's responsibility to be in control of the vehicle at all times. Always monitor traffic conditions and keep both hands on the steering wheel. System operates only when lane markings are detected. Does not function in all weather, traffic and road conditions. System has limited control capability and the driver may need to steer, brake or accelerate at any time to maintain safety. See Owner's Manual for safety information.

7. Available feature shown. Use feature only when safe and legal. Compatible device and service required. Subject to third party service availability. For more information see www.infinitiusa.com/intouch/legal.
