2019 INFINITI Q50 AT A GLANCE

After receiving significant updating for the 2018 model year, including a refreshed exterior and interior appearance, the popular INFINITI Q50 sports sedan enters 2019 with a streamlined model lineup and the addition of standard Forward Emergency Braking and Predictive Forward Collision Warning. As in previous years, Q50 continues to offer innovative technologies designed to empower and support the driver.

The 2019 INFINITI Q50 2.0t is now offered in two models, the Q50 2.0t PURE and Q50 2.0t PURE AWD. It continues to be powered by a 2.0-liter turbocharged 4-cylinder engine. The INFINITI Q50 3.0t is again available in a choice of 300-horsepower or 400-horsepower rate 3.0-liter twin-turbocharged V6 engines. It is also offered in LUXE, SPORT and RED SPORT 400 grade levels and in both rear-wheel and all-wheel drive. For 2019, the 3.0t SPORT now comes standard with the previously optional Essential, Performance, ProASSIST and Sensory Package content.

The Q50 exterior design features sleek proportions and an athletic stance. The Q50 3.0t SPORT and Q50 RED SPORT 400 grades include a more angular front bumper and wider, lower air intakes, adding greater visual potency over the Q50 PURE and LUXE designs.

Inside, the 2019 Q50 features a high level of artistry throughout the high-tech cabin, providing a comfortable and connected space. Each grade level comes with its own unique interior character. Interior features include the brand's spinal support seats that ensure a comfortable space, a steering wheel with molded positions for the driver's thumbs, and INFINITI InTouch™ Services designed to effortlessly synchronize the car and driver.

Innovative driver assistance technologies that empower and support the driver are abundant on the Q50. They include available Direct Adaptive Steering, Active Lane Control, Intelligent Cruise Control, Distance Control Assist, Backup Collision Intervention, Blind Spot Warning and Blind Spot Intervention, and Lane Departure Warning and Prevention.

The 2019 Q50 again delivers a rewarding driving experience with a variety innovative powertrain options. Leading the list of three available 2019 Q50 powerplants is the exclusive VR-series 3.0-liter V6 twin-turbo engine with 300 standard horsepower. A high-output 400 horsepower version is standard on RED SPORT 400. The 2.0-liter four-cylinder turbocharged engine provides 208 horsepower at 5,500 rpm with peak torque of 258 lb-ft available from 1,500 rpm. This powertrain, like the 3.0-liter V6, has been engineered to blend responsive performance with enhanced fuel efficiency. The engine also features an idle stop-start system.

All 2019 Q50 models come equipped with a refined 7-speed automatic transmission with available paddle shifters. The INFINITI Drive Mode Selector with Snow, Eco, Standard, Sport and Personal settings is also standard on all models. It is part of the INFINITI InTuition™ System, an advanced customizable digital environment system that allows drivers to create unique settings for engine, suspension and steering (when equipped with INFINITI Direct Adaptive Steering) settings.

Among the Q50's available advanced drivetrain technologies is the second-generation Direct Adaptive Steering, with a selection of steering modes accessed through the Drive Mode Selector. Located on the center console, Drive Mode Selector allows the steering effort and response to be selected from six available options: Personal, Standard, Snow, Eco, Sport, and Sport+. It is available on all 3.0-liter V6-equipped models as part of the ProACTIVE Package. The Q50 also features available Dynamic Digital Suspension. Standard on the Q50 3.0t SPORT and RED SPORT 400, it provides an optimal blend of ride comfort, response and agility. The shift from a comfort-biased ride to enhanced dynamic response can be made when the driver selects either Sport or Sport+ mode (adjusted via the Drive Mode Selector) which changes the electronically adjustable shock absorbers to provide firmer damping control for more agile handling. While in these modes, the suspension is constantly adjusting to provide ideal performance and a flat ride.

Highlights of the 2019 INFINITI Q50 include:

Design

- Standard sport front and rear fascias for 3.0t SPORT and RED SPORT 400 models
- INFINITI signature double-arch front grille, dynamic arch silhouette and crescent-cut C-pillar
- Distinctive LED headlights, fog lights and Daytime Running Lights, LED rear combination lamps
- Available Adaptive Front lighting System with high beam assist technology
- Available power sliding and tilting tinted glass sunroof with one-touch open/close and sliding sunshade
- Heated outside mirrors with integrated LED turn signals, available auto dimming outside mirrors with reverse synchronization mirror angle
- Black mirror caps on RED SPORT 400 models

- Body-color outside door handles with chrome accents
- Dual chrome exhaust finishers, exclusive exhaust finishers on RED SPORT 400
- Advanced aerodynamic design with 0.26 coefficient of drag (select models) and zero front and rear lift concept
- Ten available exterior colors: Midnight Black, Liquid Platinum, Graphite Shadow, Black Obsidian, Dynamic Sunstone Red, Majestic White, Pure White, Hagane Blue, Iridium Blue and Mocha Almond

Performance

- Front engine/rear-wheel drive or Intelligent All-Wheel Drive
- 3.0-liter aluminum-alloy DOHC 24-valve twin-turbo V6, rated at 400 horsepower and 350 lb-ft of torque, featuring twin water-to-air charge coolers with two water pumps, turbo speed sensor, 14.7 psi turbo boost (Q50 RED SPORT 400)
- 3.0-liter aluminum-alloy DOHC 24-valve twin-turbo V6, rated at 300 horsepower and 295 lb-ft of torque, featuring twin water-to-air charge coolers with single water pump, 9.5 psi turbo boost (Q50 3.0t LUXE, Q50 3.0t SPORT)
- 2.0-liter DOHC 16-valve turbocharged inline-4 cylinder, rated at 208 horsepower and 258 lb-ft of torque (Q50 2.0t PURE, Q50 2.0t LUXE)
- 7-speed electronically controlled automatic transmission with Downshift Rev Matching and manual shift mode, Adaptive Shift Control
- Available steering wheel-mounted paddle shifters
- Drive mode selector switch (Sport, Standard, ECO, Snow, Personal settings)
- 4-wheel independent suspension (front single pivot double-wishbone design/revised multi-link rear design) with extensive use of lightweight aluminum components and front and rear stabilizer bars
- Available Dynamic Digital Suspension (Q50 3.0t SPORT, Q50 RED SPORT 400)
- Available Hydraulic Electronic Power Steering (Q50 2.0t PURE)
- Available rack-based Electric Power Steering (Q50 3.0-liter V6 models)
- Available second-generation Direct Adaptive Steering™ technology for enhanced steering feel and personalized selection of steering effort and gear ratio
- 4-wheel power-assisted vented disc brakes, 4-wheel Anti-lock Braking System, Electronic Brake force Distribution, Brake Assist
- Standard Sport Brakes with upgraded rotors, 4-piston front calipers and 2-piston rear calipers (Q50 3.0t SPORT, Q50 RED SPORT 400)
- Silver painted Sport brake calipers (Q50 3.0t SPORT)
- Red painted Sport brake calipers (Q50 RED SPORT 400) 17x7.5-in. split 5-spoke aluminum-alloy, machined surface 225/55R17 all-season run-flat tires (Q50 2.0t PURE)
- 18x7.5-in. aluminum-alloy sport wheels, machine finished with 225/50R18 all-season run-flat tires (Q50 3.0t LUXE)
- Available 19x8.5-inch aluminum-alloy Sport-design wheels with 245/40R19 all-season run-flat tires (Q50 3.0t SPORT)
- Available 19x9-inch aluminum-alloy wheels with 245/40R19 all-season run-flat tires (Q50 RED SPORT 400 AWD)
- Available staggered aluminum-alloy wheels with 245/40R19 front, 265/35R19 rear run-flat summer tires (Q50 RED SPORT 400)

INFINITI

EMPOWER THE DRIVE

- Advanced Vehicle Dynamic Control with Active Trace Control for enhanced dynamic cornering ability
- Available Active Lane Control™ (utilizing world's first Direct Adaptive Steering technology)
- Tire-specific Tire Pressure Monitoring System

Hospitality

- Stitched upper instrument panel, INFINITI Q60-type steering wheel and shift knob
- Available steering wheel-mounted paddle shifters
- Red seat stitching, dark chrome interior trim and standard seat quilting on RED SPORT 400 models
- Premium leatherette seating surfaces
- Available leather-appointed seating with power lumbar
- 8-way power-adjustable driver's seat with manual lumbar support, 8-way power-adjustable front passenger seat
- Available 60/40 split rear seat
- Rear center armrest with trunk pass-through
- Available sport-type leather-appointed seats, manual thigh extensions (driver and front passenger)
- Available power torso bolsters (driver's side)
- Available heated front seats and heated steering wheel
- Fine Vision electroluminescent instrumentation
- Kacchu aluminum interior trim on center console, instrument panel and doors
- Available Maple wood trim
- New Gallery White semi-aniline leather appointed seats with red contrast stitching available on RED SPORT 400
- Available aluminum-accented pedals (standard on sport grades)
- Available Bose® Performance Series Audio system with 16 speakers, Bose® Performance Centerpoint® simulated sound
- Dual-Zone Automatic Temperature Control
- Available Advanced Climate Control System with Plasmacluster® air purifier
- INFINITI Intelligent Key with Push Button Ignition, touch unlock door function
- INFINITI InTuition™ – a customizable digital environment for storing and providing various driver settings and driving characteristics to Intelligent Key
- Power front and rear windows with illuminated switches and one-touch auto up/down feature
- Rear passenger personal lamps
- RearView Monitor
- Available Around View® Monitor with Moving Object Detection

INFINITI InTouch™

- INFINITI InTouch™ with Navigation and INFINITI InTouch™ Services, with lane guidance and 3D building graphics, voice recognition for navigation functions, including one-shot voice destination entry, INFINITI InTouch™ Services with six months of safety, security and convenience services

INFINITI

EMPOWER THE DRIVE

- SiriusXM® Traffic, including real-time traffic information (SiriusXM® subscription required, sold separately)
- SiriusXM® Travel Link with access to weather, fuel prices, stocks, sports and movie times (SiriusXM® subscription required, sold separately) with 4-year complimentary access
- SiriusXM® Satellite Radio (SiriusXM® subscription required, sold separately), High Definition radio
- INFINITI Connection™ with Automatic Collision Notification, Destination Assistance and Drive Zone Monitoring
- Bluetooth® Hands-free Phone System and Streaming Audio via Bluetooth®
- Voice Recognition for audio, navigation, SMS

Safety Shield Technologies

- INFINITI Advanced Air Bag System with dual-stage supplemental front air bags with occupant classification sensor
- Front seat-mounted side impact supplemental air bags
- Roof-mounted curtain side impact supplemental air bags for front- and rear-seat outboard occupant head protection
- Available front seat driver/passenger Pre-Crash Seat Belts
- Available Intelligent Cruise Control with full speed range, Predictive Forward Collision Warning, Forward Emergency Braking, Distance Control Assist, Blind Spot Warning, Blind Spot Intervention®, Backup Collision Intervention, Lane Departure Warning, Lane Departure Prevention with Active Lane Control™ (utilizing world's first production Direct Active Steering technology)
- Traction control system (integrated with Vehicle Dynamic Control)
- Available High Beam Assist technology

Models

- Offered in two 2.0-liter turbo models: Q50 2.0t PURE, Q50 2.0t PURE AWD
- Offered in four 300-horsepower, 3.0-liter V6 twin-turbo models: Q50 3.0t LUXE, Q50 3.0t LUXE AWD, Q50 3.0t SPORT and Q50 3.0t SPORT AWD
- Offered in two 400 horsepower 3.0-liter V6 twin-turbo models: Q50 RED SPORT 400 and Q50 RED SPORT 400 AWD
