

## **At a Glance: 2018 INFINITI Q70**

The INFINITI Q70 performance luxury sedan embodies the essence of all things INFINITI – style, performance, luxury, craftsmanship and technology – in a choice of body styles and powertrains.

For 2018, the Q70 adopts the global INFINITI naming structure, adding LUXE to all model designations. Other changes for 2018 include revised package content and naming. The 2018 lineup includes the standard wheelbase Q70, the long-wheelbase Q70L with an additional 5.6 inches of rear seat legroom, and the “driver’s hybrid” Q70 Hybrid.

The standard wheelbase INFINITI Q70 is offered in four models: the Q70 3.7 LUXE, Q70 3.7 LUXE AWD, Q70 5.6 LUXE and Q70 5.6 LUXE AWD. (For full information and specifications on the Q70 Hybrid and Q70L models, please visit [infinitinews.com](http://infinitinews.com).)

The Q70’s dramatic sports styling provides a powerful presence, along with a coefficient of drag of just 0.27. Inside, the roomy, comfortable Q70 interior environment features available leather-appointed seating, standard Japanese Ash wood trim or available White Ash silver-powdered wood trim and available premium audio and climate control systems.

Key features include INFINITI InTouch™ Navigation with 8-inch color touch-screen display, lane guidance and 3-D building graphics, Voice Recognition for navigation functions, including one-shot voice destination entry; INFINITI InTouch™ Services with six months of safety, security and convenience services; INFINITI Intelligent Key with Push Button Ignition; SiriusXM® Satellite Radio (SiriusXM® subscription required, sold separately); Bluetooth® Hands-free Phone System; and power sliding tinted glass moonroof.

Both Q70 3.7 LUXE and Q70 5.6 LUXE models are offered with rear-wheel drive or INFINITI’s Intelligent All-Wheel-Drive system. The Q70 3.7 LUXE features a 330-horsepower 3.7-liter V6 engine, while the Q70 5.6 LUXE offers a 420-horsepower 5.6-liter V8. Both engines feature INFINITI’s advanced VVEL (Variable Valve Event & Lift) technology and all models are equipped with a standard 7-speed automatic transmission.

The Q70 Sport Package, offered on both rear-wheel-drive and all-wheel drive models, includes a sport-tuned suspension, Sport Brakes, 20-inch wheels and tires, sports seats, solid magnesium paddle shifters and more.

The 2018 Q70 remains a showcase for INFINITI's advanced, user-focused technologies, including an INFINITI Drive Mode Selector, featuring four-mode driver-selectable control of throttle and transmission mapping that helps optimize vehicle performance; Active Noise Control, which reduces undesirable engine harmonics, providing a quieter cabin; Blind Spot Warning; Blind Spot Intervention™; Eco Pedal; and Active Trace Control.

The Q70 also offers available Bose® Studio Surround® premium audio system with 16 speakers including four mounted in the shoulders of the front seats, Intelligent Cruise Control (Full-Speed Range), Lane Departure Warning and Lane Departure Prevention systems, Distance Control Assist, Predictive Forward Collision Warning, Forward Emergency Braking and Front Pre-Crash Seat Belts.

Again in 2018, the Q70 is available with the Premium Select Edition package, which combines unique exterior and interior finishes with sporty style and modern luxury content. The Premium Select Edition's exterior features dark chrome trim, darkened lower rear bumper finisher, rear decklid spoiler, unique 20-inch wheel design with dark chrome finish and Sport Brakes.

Inside, the Premium Select Edition includes a choice of two exclusive semi-aniline leather colors, Stone or Graphite, along with contrasting seat piping, suede-like headliner, exclusive laser-etched aluminum trim, illuminated kick plates and unique floor mats with contrasting piping.

Highlights of the 2018 INFINITI Q70 include:
