

At a Glance: 2015 Infiniti Q40

The 2015 Infiniti Q40 offers a unique combination of world-class performance, seductive styling and modern craftsmanship. Previously named the Infiniti G37 Sedan, it is available in two well-equipped models: the Infiniti Q40 and Infiniti Q40 AWD.

Like the other luxury performance sedans in the Infiniti portfolio – the redesigned flagship Q70 and stunning Q50 – the Q40 features a strikingly seductive exterior defined by its sleek wave-form hood, raked A-pillars, signature LED taillights and athletic stance.

Inside, the Q40 provides a crafted, heritage-inspired interior environment and standard features such as leather-appointed seating, Intelligent Key with Push Button Ignition and RearView Monitor

Every 2015 Infiniti Q40 comes equipped with a 328-horsepower 3.7-liter VVEL V6 mated to a responsive 7-speed automatic transmission, which along with the 4-wheel independent suspension combine to provide responsive acceleration and agile handling. The Q40 AWD model adds Infiniti's ATTESA E-TS[®] Intelligent All-Wheel Drive system.

Two option packages are offered for 2015. The Navigation Plus Package features the Infiniti Hard Drive Navigation System and audiophile-quality Infiniti Studio on Wheels[®] by Bose[®]. The Moonroof Package includes a power sliding glass moonroof with one-touch open/close tilt feature.

Highlights of the 2015 Infiniti Q40 include:

Body

- Front Mid-ship (FM) platform
- Long, wave-like aluminum hood, pushed-back A-pillars and aggressive stance
- Double-arch dark chrome grille with sculpted grille blades
- High Intensity Discharge (HID) bi-functional xenon headlights with automatic on/off headlight function, fog lights, L-shaped LED taillights
- Chrome trunk finisher
- Zero lift front aerodynamics, 0.29 coefficient of drag
- Available sliding glass moonroof with tilt and one-touch open/close feature
- Body colored, manual folding and power-operated heated outside mirrors

- Four available exterior colors: Liquid Platinum, Graphite Shadow, Black Obsidian and Moonlight White

Engine and Driveline

- Front engine/rear-wheel drive (Q40) or front engine/all-wheel drive with ATTESA E-TS[®] Intelligent All-Wheel Drive (Q40 AWD)
- 3.7-liter VVEL (Variable Valve Event and Lift) 24-valve DOHC V6 producing 328 horsepower and 269 lb-ft of torque
- Electronically controlled 7-speed automatic transmission with Downshift Rev Matching and quick-shift Drive Sport (DS) mode and ASC (Adaptive Shift Control)
- 11:1 compression ratio, 7,500 rpm redline
- Vehicle Dynamic Control (VDC) with cancellation switch

Suspension, Steering and Braking

- 4-wheel independent suspension (front single pivot double-wishbone design, rear multi-link) with extensive use of lightweight aluminum components
- Front and rear stabilizer bars
- Power-assisted vehicle-speed-sensitive rack-and-pinion steering
- 4-wheel power-assisted vented disc brakes, 4-wheel Anti-lock Braking System (ABS), Electronic Brake force Distribution (EBD) and Brake Assist (BA)
- 17-inch aluminum-alloy wheels with rich silver metallic paint finish
- 225/55R17 all-season tires
- Standard Tire Pressure Monitoring System (TPMS)

Interior Features

- Driver-oriented interior styling with fine craftsmanship and modern warmth
- Standard leather-appointed seating, available in Graphite and Stone
- "Shodo" finish aluminum-alloy trim on center console, instrument panel and doors
- Standard 8-way power adjustable driver's seat and 8-way power adjustable front passenger's seat
- Hand-stitched leather-wrapped steering wheel with steering wheel mounted audio and cruise control switches, tilt and telescopic steering column
- Electroluminescent instrumentation with white-themed illumination
- Standard Infiniti Intelligent Key with Push Button Ignition
- Available Infiniti Studio on Wheels[®] by Bose[®] Premium Audio System, with a 3-way front door speaker array using 10-inch subwoofers and a parcel shelf-mounted subwoofer
- Standard audio system featuring in-dash CD changer with Radio Data System (RDS), auxiliary audio input, MP3 playback capability and 6 speakers
- Available Bluetooth[®] Advanced Audio Distribution Profile for wirelessly streaming audio from a compatible device to the audio system

- Available digital video file playback from USB flash drive
- Available DVD video playback from disc
- Available USB port for music playback devices
- Standard 7.0-inch color monitor display
- Leather-appointed shifter lever with aluminum trim
- Available Infiniti Hard Drive Navigation System with NavTraffic with Real-Time Traffic Information and NavWeather with Real-Time Weather and 3-day forecast (SiriusXM® subscription required, sold separately) and touch screen
- Bluetooth® Hands-free Phone System
- RearView Monitor
- SiriusXM Satellite Radio (SiriusXM subscription required, sold separately)
- Infiniti signature analog clock
- Dual Zone Automatic Temperature Control System with rear A/C vents
- Power front and rear windows with illuminated switches and one-touch auto up/down feature, power windows active after key off
- Remote opening of all windows via Infiniti Intelligent Key fob
- Auto speed-sensitive door locks
- 12-volt accessory power outlets (two total)
- Front center console with armrest, rear center armrest with cupholders and pass-through to trunk

Safety and Security

- Standard Advanced Air Bag System (AABS) with dual-stage supplemental front air bags with seat belt sensors and occupant classification sensor
- Standard front seat-mounted side-impact supplemental air bags
- Standard roof-mounted curtain side-impact supplemental air bags for front and rear-seat outboard occupant head protection
- Available Pre-Crash Seat Belts (activate under emergency braking)
- 3-point ALR/ELR seat belts (driver's seat ELR only)
- Front seat belt with pretensioners and load limiters and adjustable upper anchors
- Front seat Active Head Restraints
- Zone Body construction with front and rear crumple zones
- Break-away engine mounts and breakaway driveshaft
- Slide-away brake pedal assembly to help reduce lower leg injuries in severe crash
- LATCH System (Lower Anchors and Tethers for Children)
- Standard Vehicle Dynamic Control (VDC) and Traction Control System (TCS)

Models and Manufacturing

- Available in two well-equipped versions: Q40 and Q40 AWD
- Assembled in Tochigi, Japan
