

## **At a Glance: 2018 INFINITI Q70L**

The INFINITI Q70L expands the popular Q70 performance luxury sedan lineup – both in the number of available Q70 models and with its longer 120.1-inch wheelbase (versus 114.2 inches for the standard Q70). The longer wheelbase gives the Q70L an additional 5.6 inches of rear seat legroom (41.8 inches total) and 5.9 inches of extra knee room (32.5 inches total) versus the standard wheelbase Q70.

Along with the first class-style space, the Q70L is designed to provide smooth, luxurious ride comfort for all seating positions. The roomy rear passenger area includes personal lamps, 12V power outlet, heated rear seats and power rear door cinchers.

As expected, the Q70L offers all the evocative design, invigorating performance, innovative technology and superior craftsmanship of the standard wheelbase Q70, including a choice of 3.7-liter V6 and 5.6-liter V8 engines and rear-wheel or INFINITI's Intelligent All-Wheel Drive.

Available advanced technologies include Predictive Forward Collision Warning, Around View® Monitor with Moving Object Detection, Backup Collision Intervention and Forward Emergency Braking. Also offered are INFINITI InTouch™ Navigation with 8-inch color touch-screen display, lane guidance and 3-D building graphics, Voice Recognition for navigation functions, including one-shot voice destination entry; and INFINITI InTouch™ Services with six months of safety, security and convenience services.

Other available technology includes Bose® Studio Surround® premium audio system with 16 speakers, Blind Spot Warning, Blind Spot Intervention, Lane Departure Warning and Lane Departure Prevention systems, Enhanced Intelligent Key, Intelligent Cruise Control, Distance Control Assist and Front Pre-Crash Seat Belts.

For 2018, the Q70L 3.7 LUXE and 3.7 LUXE AWD are available with the Premium Select Edition package, which combines unique exterior and interior finishes with sporty style and modern luxury content. The Premium Select Edition exterior features dark chrome trim, darkened lower rear bumper finisher, rear spoiler, unique 20-inch wheel design with dark polished finish and Sport Brakes.

Inside, the Premium Select Edition includes a choice of two exclusive semi-aniline leather colors, Stone or Graphite, along with contrasting seat piping, suede-like
