### Bespoke Sophistication: The 2024 INFINITI QX60

9 May, 2024

**Dubai, United Arab Emirates** – The 2024 INFINITI QX60 stands out as an enticing option for individuals seeking elevated luxury. Offering seating for up to seven passengers, captivating aesthetics both inside and out, and a plethora of premium features

Building on its remarkable craftsmanship and unmatched performance, the 2024 INFINITI QX60 arrives with advance safety and connected technologies, a sleeker appearance, and a choice of three grades to suit any driver preference.

Customers can choose from the LUXE, SENSORY, or AUTOGRAPH grades to experience luxury redefined. The LUXE variant is tailored for GCC countries, while the LUXE with the Climate Package is designed for customers in the Middle East region. Each grade is equipped with INFINITI's Intelligent All-Wheel Drive, catering to various preferences and driving needs. Additionally, all variants come standard with a suite of advanced safety and technology features, including ProPILOT Assist for enhanced driving confidence. This comprehensive safety suite encompasses Forward Emergency Braking with Pedestrian Detection, Rear Automatic Braking, Blind Spot Warning, Lane Departure Warning, Driver Attention Alert, and High Beam Assist, ensuring a secure driving experience on any journey.

#### Elegance Meets Utility

As with all INFINITI models, standout design is one of the hallmarks of the QX60. Returning for 2024 are its captivating, origami-inspired mesh grille, lighting signatures evoking digital piano keys and the available contrasting roof. In addition, the interior welcomes occupants with an exceptional level of design and quality. Available semi-aniline leather seats, open-pore wood and ambient lighting further elevate the experience.

The QX60's interior is thoughtfully designed to comfortably accommodate up to seven passengers, ensuring a superior level of comfort. For the AUTOGRAPH trim, which includes second-row captain's chairs, seating is configured for six passengers. The second-row seats are cleverly designed to tilt and slide, simplifying access to the third row without the need to remove a child safety seat. This thoughtful feature enhances the overall usability of the vehicle, making it an ideal choice for families and passengers seeking both functionality and comfort.

#### Generous Power, Easily Controlled

Backing up beauty with confident power is a 3.5-liter direct-injected V-6 engine, producing 279 horsepower and 350 Nm of torque. Paired with a 9-speed automatic transmission, standard paddle

shifters allow for additional control. The powertrain delivers a combined fuel economy of up to 11.0 km/L.

### Tailored Trim Levels

In the realm of Infiniti's QX60 lineup, two distinct variants cater to the diverse needs of consumers across different regions. Both the QX60 LUXE and the QX60 LUXE Climate Package variant offer an impressive array of features that exemplify luxury and technological innovation. Standout features common to both variants include 20-inch aluminum-alloy wheels, silver roof rails, and silver Metallic Weave interior trim, enhancing the vehicle's exterior and interior aesthetics.

Additionally, drivers benefit from advanced technology such as the Around View® Monitor with Moving Object Detection, Remote Engine Start, providing comprehensive visibility, convenience, and customization options for the driver, in addition to INFINITI's InTouch™ 12.3 – inch Interactive display with Navi. Furthermore, both variants come equipped with additional driver assistance in the form of ProPILOT Assist, enhancing safety and comfort on the road. For the QX60 LUXE Climate package, designed for other markets in the Middle East, an extra layer of comfort is added with climatized front seats.

The QX60 SENSORY spoils buyers with an array of enhancements, including massaging 8-way memory front seats, heated second-row seats, illuminated front and rear kickplates, enhanced interior ambient lighting, a premium smooth leather-wrapped steering wheel, black open-pore ash wood trim, a motion-activated liftgate, a Bose® Performance series 17-speaker audio system, as well as a camera based Smart Rear View mirror and 10.8 inch Head-Up Display for added convenience and safety.

Exemplifying the best of INFINITI design, the QX60 AUTOGRAPH includes second-row captain's chairs with a removable center console, a Black Obsidian roof with black roof rails, and semi-aniline leather seating (first and second rows) with quilting, perforation, and contrasting stitching. The AUTOGRAPH package encompasses all features of the SENSORY trim and adds a distinctive touch with a two-tone paint option

The 2024 INFINITI QX60 is now available for sale across the region and invites bold owners to challenge convention and indulge in a driving experience that rewards at every turn.
