## 2019 INFINITI QX60 AT A GLANCE

---

The award-winning INFINITI QX60 luxury crossover, consistently among INFINITI's top two selling models, continues into the 2019 model year as one of the most versatile 3-row/7-passenger vehicles on the market today – offering a combination of family features with a welcoming, crafted design inside and out.

For 2019, the QX60 adds a number of significant enhancements, including:

- Revised grade walk with four available models: QX60 PURE, QX60 PURE AWD, QX60 LUXE and QX60 LUXE AWD
- New LIMITED package with unique exterior and interior treatments
- New option package content, including the ProASSIST Package with added Lane Departure Prevention, Lane Departure Warning, Blind Spot Intervention and High Beam Assist
- Blind Spot Warning, Forward Emergency Braking with Pedestrian Detection and Predictive Forward Collision Warning now standard on all grade levels
- Three new exterior colors: Deep Bordeaux, Imperial Black and Mocha Almond

The 2019 QX60 exterior fully embodies INFINITI's dramatic design language, including signature grille, headlamps, LED daytime running lights and LED fog lights. Other exterior details range from integrated LED turn signals in the side rearview mirrors to unique 18-inch and 20-inch wheel designs. A Motion Activated Liftgate is available with the Sensory Package. The new LIMITED package includes a unique Stone-colored interior and exclusive dark chrome exterior treatments.

On the inside, the QX60 continues to offer real 7-passenger/3-row utility, plus all the luxurious features, performance and innovations that INFINITI has become known for worldwide. Among the many luxury features are available semi-aniline leather-appointed seating for 1<sup>st</sup> and 2<sup>nd</sup> rows, graphite weave, maple wood or dark silver wood interior accents, stitched upper dash, a shift lever shared with the Q60 coupe and INFINITI InTouch<sup>®</sup> with 8.0-inch vehicle information display.

Among the other available advanced technology are a Bose<sup>®</sup> 13-speaker Premium Audio system, including AM/FM/CD with MP3 playback capability, Radio Data System and speed-sensitive volume control. A Bose<sup>®</sup> Cabin Surround<sup>®</sup> 15-speaker sound system with digital 5.1-channel decoding is also available.

The breakthrough standard Rear Door Alert system, introduced for the 2018 model year, is designed especially for active families. The Rear Door Alert system can help remind customers of items that may be forgotten in the rear seat – pets, valuables, dry cleaning, groceries and more. It is offered as standard equipment.

Every 2019 QX60 comes equipped with an advanced 3.5-liter V6 engine rated at 295 horsepower and 270 lb.-ft of torque. The engine's Direct Injection Gasoline system – which is also utilized on the INFINITI Q60 Sports Coupe's 3.0-liter twin-turbo V6, as well as the powerful INFINITI QX80 full-size SUV's 5.6-liter V8 – provides better wide-open throttle performance and emissions performance (versus a non-direct-injection system). The engine is matched with a fuel-efficient continuously

variable transmission. The QX60 is offered in front-wheel drive or with INFINITI Intelligent All-Wheel Drive.

Available security features and driving aids include Around View® Monitor with Moving Object Detection, Intelligent Cruise Control (Full-Speed Range), Distance Control Assist, Active Trace Control, Lane Departure Prevention, Blind Spot Intervention and Front Pre-Crash Seat Belts.
